Subject: Approval ethics review application ETH2122-0496

Our reference: ETH2122-0496

Dear Chiara Natalie Focacci,

On the 4th of March 2022 the ESL Research Ethics Review Committee received your request for approval of your research project Too Ethical To Pollute: Green Jobs, Intertemporal Preferences, and Social Pressure. Thank you for submitting your research proposal.

Hereby, I am pleased to inform you that the Committee has decided to advise positively on your application. Based on the information you have provided, we conclude that your research proposal sufficiently respects the safety and rights of participants and recognises the responsibilities of the researcher(s) involved and of their host and sponsoring organisations. The approval decision is valid for three years.

Once you start your research, please be aware that you are responsible for adhering to the Netherlands Code of Conduct for Research Integrity whether working individually or in a team. Please note that you are required to submit an amendment in case any significant changes occur.

Yours sincerely,

On behalf of the ESL Research Ethics Review Committee

Prof. dr. Richard Staring  
Chair Research Ethics Review Committee ESL

You can object to this decision with the Dean of the Erasmus School of Law. The term for submitting a notice of objection is six weeks. The period shall begin on the day following the date of this letter. Information on how to file an objection is [here](#) available.
