The ED/SBS IRB conducted a review of the above referenced initial application. The study was determined to qualify for exemption under campus policy, because:

The research is not federally supported, does not fall under VA regulations, and is not FDA-regulated. In addition, the research falls within the following category(ies) of exempt research outlined under campus policy:

Category 2: Research involving the use of educational tests, surveys, interviews [NOTE: If children are involved in the research it can only be determined to be exempt under this category if the research is limited to educational tests or observation of public behavior, the investigator(s) cannot participate in the activities being observed, and the identities of the subjects either cannot be readily ascertained or the disclosure of the subjects' responses would not put them at risk.]

NOTE: If the research under this exemption application becomes federally supported or changes such that it becomes subject to VA or FDA regulations, the exemption status no longer applies.

To access the materials the IRB reviewed and accepted as part of the exemption determination, please log in to your ARROW account and view the documents tab in the submission's workspace.

Although the human subjects research described in the ARROW application referenced above was determined to meet the federal criteria for exemption and thus does not require continuing review, please be aware of your responsibilities related to the conduct of the research and when additional IRB review is required. Prior to starting research activities, please review the Investigator Responsibilities for Exempt Human Subjects Research guidance ([https://kb.wisc.edu/images/group99/shared/BSIR\\_Exempt.pdf](https://kb.wisc.edu/images/group99/shared/BSIR_Exempt.pdf)) which includes a description of the types of changes that must be submitted to ensure the research continues to comply with the conditions of the exemption and/or category(ies) of exemption.

If you have general questions, please contact the Education and Social/Behavioral Science IRB at 608-263-2320. For questions related to this submission, contact the assigned staff reviewer.
